Navidad Coria-Guzman has been held as a material witness in the case of Samuel Medrano-Gonzalez and David Lopez-Hinojosa since December 6, 2005.

Pretrial Services was contacted by Joaquin Coria, who advised he is the material witness' brother. Mr. Coria is a naturalized United States citizen and he informed he is willing to co-sign on the material witness bond.

Pretrial Services recommends the following to assure the proper supervision of this material witness:

1. \$5,000 unsecured bond, requiring a co-surety / custodian

Joaquin Coria

A large rectangular area of the document has been completely redacted with black ink.

1. Immediate placement of the material witness in a halfway house in Laredo, Texas, upon his release.
2. Once documentation is secured with Immigration and Naturalization Services, the material witness is to reside with Joaquin Coria and obtain employment until the case of the principal has been disposed.
